COMMUNITY OUTREACH

Due to the hectic holidays we thought it would be a good idea to continue our December outreach for Kaely's Kindness foundation! Kaely's Kindness Foundation helps teen girls with cancer with their unique emotional, physical, and practical needs. The Foundation is focused on providing resources for teens living with cancer and we want to help brighten their holiday season. Spread the word! We are hoping to deliver as many baskets as possible to Children's hospital!

If you do not plan on donating a basket and would like to donate items they love to receive adult coloring books, hyper-allergenic make-up, non-scented lotions, socks with grips, heat/cool bags for aches and pains, neck pillows, blankets, small arts and crafts gifts, tea, and peppermint

A huge thank you to all our families that donated items and baskets to Kaely's Kindness Foundation! We could not have done it

Please take children's blankets, sheets, and clothes home weekly for washing to prevent illness!
