

February Family Fun Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	If you had a wish, what would it be?	What is a groundhog? Name other animals that live in the ground.	Go outside and make shadows.	Cut hearts out of paper.	Write the numbers 1-5.	Go to the library.
Learn to spell the word "love."	Name things that start with /l/.	Can you point to the numerals on a clock and name them?	Sing "I'm Bringing Home a Valentine."	Who is on a penny? Who is on a nickel? Dime? Quarter?	Practice dialing your phone number.	Eat something red.
Call someone and tell them that you love them.	What is a friend? Name all the friends you can.	Make a book by stapling several sheets of paper together.	Act out the opposite of these words: hot, loud, top, sad, over, fall, fast.	Cut 5 old valentines in half. Can you match the halves?	Trace around your feet and cut them out.	Play "Simon Says."
Learn to say "I love you" in sign language. (aslpro.com)	Act out "Jack Be Nimble."	What is a scientist? How can you be a scientist?	Cut people from old magazines. Staple to straws for puppets.	Practice drawing shapes.	How old would you like to be? Why?	Make a sandwich for lunch.
Read the comics in the paper with your parents.	Go outside and run as fast as you can.	Count how many spoons are in your kitchen.	Can you tell a knock-knock joke?
