

Busy Bees

A warm winter welcome to 2019! We will be settling in for some Winter Fun in the Busy Bee Room! We will be having lots of fun with snow, ice and wooly winter animals.

The children have been doing great with counting, scissor skills, letter recognition, and finding their names! We have been working on two color pattern making and rhyming words. We will continue to build on these skills as well as working on our addresses.

Please be sure to pack a lunch for our Polar Bear Picnic on Thursday, January 31st if your child is scheduled that day.

Please remember to take your child's blanket home for weekly washings and to always have a complete set of extra clothes in your child's cubby!

And lastly, a huge thank you for all of your help in the month of December. We appreciate all you do to make Kiddie Corner great!
