Please notice our lunch menu has changed for the month of January. Let us know if your child has dietary restrictions.

Once again, cold and flu season is upon us. Please remember to wash your child's blankets and bedding weekly and to always have a supply of extra clothes here for emergencies! As a reminder, please keep your child home if he or she is vomiting, and/or has diarrhea, and/or has a fever of 100 or greater. Your child may return 24 hours after their symptoms subside naturally.

As stated in our policy, when using a vacation day, we need to know by the Thursday before. This is imperative to keep billing running smooth and accounts current. If your child is sick and will not be attending, please CALL the center as soon as possible that day. We updated our vacation policy. Your vacation days will begin after 6 months of enrollment. For those already receiving vacation days, they will renew on the anniversary of your start date! If you need clarification, feel free to ask!

We want to extend our sincerest congratulations to our kiddos for a wonderful and special first Kiddle Corner @ Larkin Christmas Show! It was a huge success and a nice addition to our other holiday celebrations!
