

# Kiddie Corner **MARCH** NEWSLETTER

## Busy Bees

Spring

We are hoping to be marching into Spring this month as we are ready to say Good Bye to Winter!

This month we will be working on letters, sounds, and rhyming words with our favorite book, Chicka Chicka Boom Boom.

We look forward to a visit from Lucky the Leprechaun and having fun with colors of the rainbow and counting gold coins.

Be sure to wear your GREEN on FRIDAY, MARCH 15<sup>th</sup>.

It is then onto Dino Land as we explore giant creatures from long ago. We will be looking at fossils, dino tracks, and different types of dinosaurs.

Off to Outer Space the last week of March as we talk about all things in the sky!

We have been working hard on our shapes, colors, learning our addresses, as well as working on rhyming words. We are so proud of all the hard work our little Busy Bees do!
