

MIDDIE CORNER @ LARKIN NEWS

March 2019

Vacation Days

Just a reminder...Once your vacation days have been used, all scheduled days for children will be charged at regular tuition rate. Thank you for your understanding!

If your child is out for a day and you want to use a vacation day, please let us know!

LOOKING FORWARD:

We will be having our Easter show on Friday April 19th

The Easter Bunny will make an appearance and he will bring with him baby ducks, chicks and bunnies! There will also be a magic show, Easter egg hunt, and fun art projects!

We have been selected to join a program called Quality Stars. We are honored to have been chosen as this is a program enhancement opportunity for our center, children, and teachers. More information will be coming your way!

Just a reminder to keep sending in your monthly Reading Sheets! We are so proud of all of our children!

We will be celebrating Patrick's Day parade on Friday, March 15th! Wear your Green!!

In the upcoming month, we are going to be making some classroom changes. We are sad to inform you all and especially our Pre-K Classroom, that Miss Ari will be leaving us and moving to NYC! We will be making the necessary changes throughout March. Thanks for your patience and understanding! Don't forget to wish Miss Ari good luck! Her laughter and smile will be greatly missed!
